Education

- Ph.D. (Chemistry), University of Bristol, UK, 2559
- วท.ม. (เคมี), มหาวิทยาลัยเกษตรศาสตร์, ไทย, 2552
- วท.บ. (เคมี), มหาวิทยาลัยเกษตรศาสตร์, ไทย, 2550

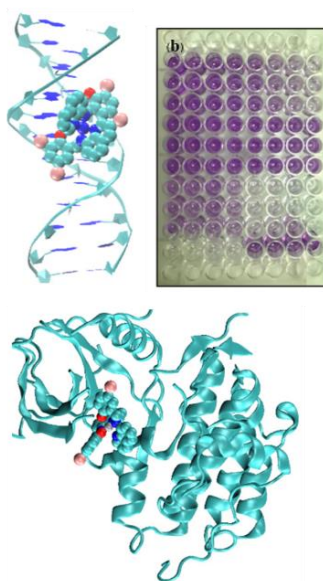

Research

Coordination Compounds

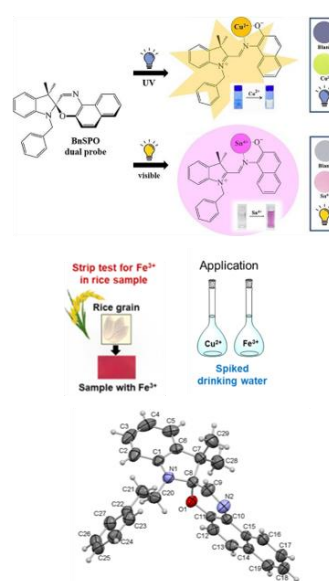

- Metals and ligands variation
- Enhanced properties for specific purposes

Biological Activity

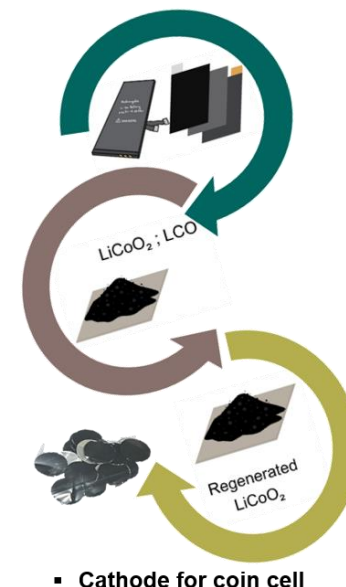

- DNA/BSA binding
- Antioxidant, Anticancer

Elemental Determination

- Dual-sensing probe
- Metal ion determination

SRIU: Material Tailoring and Recycling for Green Energy Innovation

- Cathode for coin cell

Research Related to Metal Complexes

Green Energy Material
